Our Mission

Gift Wrapping Stars Corporation is a public benefit nonprofit organization dedicated to raising awareness about the needs of children in orphanages, foster care, and low-income families. Our mission is to provide beautifully wrapped gifts to these children on their birthdays and holidays, making them feel special, appreciated, and important.

Company Overview

Gift Wrapping Stars Corporation was established in 2021 with a clear mission to cater to the emotional needs of children in challenging environments. We understand that attention and acknowledgment are essential for every child's healthy cognitive development. For children growing up in challenging circumstances, these needs are often overlooked. Our organization is committed to making a positive impact in their lives.

The Biggest Fundraising Event

Our annual fundraising event is a highlight of our efforts, taking place on the first weekend of December each year. During this event, we collect Christmas gifts that will be presented to children in need. Donations of gifts and funds will be utilized to purchase gifts and gift-wrapping supplies for the following year, ensuring a continued celebration of these special occasions. The event will also feature gift wrapping lessons and gift-wrapping competitions, engaging attendees and spreading the joy of the gift-giving experience.

Our Initiatives

Our annual fundraising event is a highlight of our efforts. In our first 2 years of operations, we successfully provided gifts to thousands children through the dedication of our three volunteer officers and non-paid volunteers. Our efforts are ongoing, as we aim to donate gifts on birthdays throughout the year. Our website and Instagram account offer trendy gift wrapping ideas to attract attendees to fundraising gift wrapping classes conducted throughout the year.

Purpose and Eligibility

The purpose of our programs and events is to give children the opportunity to express themselves through the art of gift wrapping. Through our initiatives, we aim to teach them how to create beautiful gifts that will impact the lives of many children, similar to them. We target children living in foster families, orphanages, children's homes, or families facing financial distress and children affected by war. Our goal is to create a positive and joyful experience for these deserving children.
